

FRIGIDAIRE

DISPOSER DEALS

These Frigidaire disposers can easily replace other Insinkerator, Whirlpool, Waste King, and Badger disposers because they all share the same neck size!

1/2 HP DISPOSER

Quietly, power through tough food scraps and waste with Frigidaire 1/2 HP Corded or Direct Wire Food Waste Disposer. The tough, stainless steel Torque Master® Grinding System works to balance the speed and force of the motor and cutting components to help prevent jams, and has BIOSHIELD® for protecting against odors and food residue. A 3-Bolt design makes installation a cinch with a removable splash guard for easy cleaning. Each disposer comes with a 6-Year Product and Corrosion Lifetime Warranty.
