MLK DAY SHIPPING ALTERNATIVE

UPS Honors MLK Day:

Select UPS Orders will ship FedEx between Jan 11th @ 8PM CST and Jan 15th @ 8PM CST

Dear Valued Customers,

Starting in 2024, UPS will be honoring MLK Day. As many of you ship via UPS, Reliable Parts will be utilizing FedEx in a limited capacity to help reduce the impact this will have on your business.

All orders placed between Thursday, January 11th @ 8PM CST and Monday, January 15th @ 8PM CST from the list of Distribution Centers below will automatically be converted to FedEx. FedEx tracking will be posted to the Reliable Parts website in the same manner as today and all freight rates will remain the same. Please reach out to your account manager for further details if needed.

List of locations to convert orders from UPS to FedEx shipping:

- Tukwila
- Sacramento
- Phoenix
- Mesquite
- Indy
- Tampa

Other shipping locations' orders will remain UPS and ship on Tuesday.
(Example: Highland, Houston, Anaheim)

Thank you for your continued business and support.
